

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the above-identified application.

Listing of Claims:

1. (Currently amended) An isolated nucleic acid comprising a polynucleotide selected from the group consisting of a polynucleotide that encodes SEQ ID NO:8 or a polynucleotide fully complementary to a polynucleotide that encodes SEQ ID NO:8 or a complement of SEQ ID NO:8.

2.-18. (Canceled)

19. (Original) A genetic construct comprising the polynucleotide of claim 1 operably linked to a non-native expression control sequence.

20. (Previously presented) A cell comprising a polynucleotide selected from the group consisting of a polynucleotide that encodes SEQ ID NO:8 or a polynucleotide fully complementary to a polynucleotide that encodes SEQ ID NO:8 or a complement of SEQ ID NO:8, wherein the polynucleotide is operably linked to a non-native expression control sequence.

21.-27. (Canceled)

28. (Previously presented) The cell of claim 20, wherein the polynucleotide comprises nucleotides 1 to 6045 of SEQ ID NO:7.

29. (Original) The cell of claim 20, wherein the cell is from a human embryonic kidney cell line.

30.-51. (Canceled)

Application Serial No. 10/632,342
Response dated: August 27, 2008
Reply to Office Action dated: January 7, 2008

52. (Previously presented) The nucleic acid of Claim 1, wherein the polynucleotide comprises nucleotides 1 to 6045 of SEQ ID NO:7.
